PRE-MARRIAGE

Screening

As regular attenders of the River, when you make the decision to move towards marriage, fill out a pre-marriage screening. When that's received, a Pastor will meet with you! Head to the website to submit this and reservation forms at www.riverchurchduluth.org/weddings

Sessions

Enjoy a number of weeks to learn and grow with a mentor couple as you prepare your hearts for building a life together. We require all couples to go through pre-marriage Sessions before performing the ceremony. These typically take place in a home atmosphere and are enjoyable. You will receive a discount on your marriage license as a bonus!

Sessions are scheduled after Screening

Ceremony

As the date approaches plan for a few additional meetings with the Pastor to go over additional marriage preparation and the ceremony details. These will be scheduled in advance and both groom and bride should attend.
